Ed Butler Tosses 33-31 At "Mac" For Championship

Mrs. Edith Van Takes Modelist
Honors From Champion
Mrs. Louise McWhorler

Seventy-five entrants, 23 ladies and 52 men, were narrowed to 14 men and eight ladies in the tournament at the Country Club of the Everglades which ended Sunday.

Par of 144 for the thirty-six holes of championship play between Ed Butler and O. G. McWhorler, with Butler winning 13 and O. G. won all even at the end of eighteen when both carded a 75 for the first round.

In the afternoon round, Ed went out with a 38 and came back with a 31, missing a putt on the 30th hole.

Ed Butler was the medalist for the men with a qualifying total of 143, one under par.

The ladies played some good golf too in the playoff for medalist, when Mrs. Edith Van Takes, in an 87, defeated Mrs. McWhorler to win.

Top honors to the medalists for the men with a qualifying total of 143, one under par.

The ladies played some good golf too in the playoff for medalist, when Mrs. Edith Van Takes, in an 87, defeated Mrs. McWhorler to win.

At the weekly Sunday night supper more than a score of prizes were presented by President Harold Rabin to the winners. Among the prizes was a midget portable radio, a miniature colonial electric clock, a pressure canner and a pressure cooker. Toilet sets, dresses, shirts, and numerous other articles were also among the prizes presented by judges and the Palm Beach merchants.

Veteran Posts Oppose
New VA Regulation

The Palm Beach County Veterans' Service Commission, met in annual session in West Palm Beach, last Saturday, and adopted a new Constitution and By-Laws, which eliminates much of the former war time operation provisions. The Constitution of the Association will be in charge of the various commands in the county veterans organizations, who have the voting power, and other associate consultants from civic ranks, without voting power.

The Commission has notified Veteran Posts, to refuse to endorse any regulation made by the VA department, where it ruled that it would no longer care for mental patients in VA hospitals, if their condition had not been due to service disability.

They would mean that all cases not due to those causes would need to be turned over to state institutions, which are already in an over crowded condition.

The Belle Glade and Pahokee Legion Posts have already passed strong resolutions condemning this ruling of the VA, as they see it, but the entering wedge leading to the Government to cease giving mental service treatment to all vets.

James Stader, Belle Glade and Pahokee Legion Post, during the month of May, reports cash recovery due veterans or their dependents, of \$10,760 from pensions and subsistence allowances.

Denies Phone Rate Rises

The Railroad and Public Utilities Commission recently denied the application of the Southeastern Telephone Company for a general increase in rates of 12.25 per cent.

The application was denied without prejudice by the company to seek increases at individual exchanges. Commissioners Richard Mack and Wilbur G. King voted against the general increase. Chairman Jerry W. Carter dissented.

FISHING LICENSES FOR 1948-49 ARE NOW OBTAINABLE

Lou Betner, who for many years has been the distributor of fishing licenses in Belle Glade, announces that the 1948-49 licenses are now due and can be obtained at his store.

Under the regulations of the State Game and Fresh Water Commission rules there are no closed seasons on edible fish, except that the bass is not to be sold commercially, and the prescribed "deadly take" of eight must be observed.

Any fishermen between the ages of 15 and 65, who use a rod and reel outside their own residence, must have their fishing licenses and non-residents must also take out their special license. Persons over 65 need no license, but are handy to possess.

As a result of the "run-in" at the market, where fishermen were found doing commercial seining, outside the commission's rules and regulations, there is more than a possibility that the Commission will abrogate the recent "protection" of right minded commercial fishermen. In the court trial on this case, the commercial fishermen, was given a jury verdict of "not guilty".

Gaines Pastors Are Returned By Bishop Moore

The 1948 annual session of the Florida Methodist Conference opened in Miami on Sunday, when Bishop Arthur Moore, of Atlanta, Ga., read the pastoral appointments for the coming year.

Reports submitted to the conference from the various districts showed greatest gain, all along the lines and that Methodism was a rolling in the sun.

The conference passed a strong resolution for World Peace, and same was sent to Lake Success, N. Y., to be filed with other like minded groups pulling in the same direction.

For the third year this section of the country has been gathered at the "War of the Worlds" West Palm Beach.

First flight—Rev. W. H. Emery—Livingston 3 and 2.

Second flight—Rev. R. Ziemann defeated P. Kirchman 2 and 1.

Third flight—S. Bacon defeated C. E. Stander.

Rev. J. Jones, who went from Belle Glade to the Allapattah Church in Miami, a year ago, and now in a church building program, was returned to the conference by Rev. Frank Tolles, who built the former home, kee, during his pastorate there, was re-assigned to his pastorate at Bradenton. Rev. William T. Blair, who has been at Canal Point for the past three years as an unsuccessful postgate, is assigned to the growing Wagg Memorial Church at West Palm Beach.

The return of Rev. L. F. Vandewater to the Community Church was expected and is welcome by the congregants, the church having been present, to celebrate the event.

At 8 o'clock all guest enjoyed a spaghetti supper, and then each batch retired to their respective lodge rooms on the upper floor, for informal sessions, mostly about attendance of the conference.

The speaker of the evening was Rev. Frank Tolles, who delivered an interesting talk in the excess.

The address of the afternoon will be delivered by Hon. Russell O. Morrow, of Lake Worth, who is well known in this re-

Fifteen Boys And Thirteen Girls Receive Diplomas Tonight At Eight By Bishop Moore

The big event of the 1947-48 educational year, so far as Belle Glade and its school area is concerned, comes at the High School auditorium tonight, this Friday night, at the annual Commencement exercises.

School officials and students have taken every step to make the event a most successful one for the class which numbers 28 graduates.

For these young people it marks the end of a hard four year course of study, and the award coming to them for their excellent work, in the way of the presentation of diplomas, by Dr. John Leonard, Superintendent of Schools, is the last time that he will officiate in that position, so far as the local High School is concerned.

According to scholars' records, all awards will be made by Civic and private sources, but who the fortunate persons may be, will not be made public until the ceremony presentation is made at the Commencement.

The program of the evening will begin with a musical Prelude, "Pannie Angelus," Processional, "War March of the Priests," by the High School

Geraldine Draa who was selected as publicity chairman. She will also be a senior next fall, and is a member of the Rainbow Girls, and junior member of the Business and Professional Women's Club. Gerry is the daughter of Mr. and Mrs. H. V. Draa.

Barber Tenelement Building Consumed In Sunday Blaze

The city was awakened early Sunday morning by the blowing of the fire alarm and a number of citizens indicated that there might be a serious conflagration.

The department got the seal of fire located in the Barber Brothers tenelement houses on West Avenue A and Eighth Street. When they arrived found the timber like building had burst into a bright flame before before securing a good state before before discovering and an alarm turned into the department.

The room of tenements was a pile of ruins, but the extensive loss and insurance coverage as yet has been figured. Cause of fire, likely discarded cigarette.

Occupants of the homes were able to make their exit, but they sustained considerable loss in the burning up of their personal and household holdings.

Step By Step

It has often been stated that the goal of socialism would eventually be reached through encroachment after encroachment upon the liberties of the people. Intelligent socialists know that there is no chance of bringing about their "dictatorship of the proletariat" at once. They are satisfied to make that once a certain point is reached, the goal will be in sight.

Here is one of the reasons why left-wing elements, including such publications as the Daily Worker, official organ of the Communist party of the United States, are making a determined drive to force Federal compulsory health insurance on the country. Socialized medicine would obviously be a long step toward the socialist order—and regimentation of medicine, with the bureaucrats in control, is considered a necessary prelude to socialization. The doctor would become the creature of politics. The people would become dependent upon the government for medical attention. A vast new administrative agency, with a budget of billions of dollars a year, would be established. The thought of all this naturally makes the socialists' mouths water in hungry anticipation.

As a matter of fact, the American people are solving their medical care problems through voluntary systems which are within the means of all but the lowest income groups. It is also a fact that these groups, containing a small percentage of the population, can be aided and given adequate medical care without imperiling American medicine. But those who are boring from within are not concerned with facts such as these. They are promoting socialization of medicine with every means at hand.

Dixon Pease chairman of the Florida Growers Association's industry committee, attended this week conference with growers' representatives from California, Oregon and other states where the same kind of farms are located, seeking to have these latter farmers permanently turned over to the peanut group.

USDA officers have been sending out high valuations on the Florida farms and Mr. Pease is urging the members of the new committee to permit dispositions at reasonable prices. Therefore the farms will be converted by USDA at a reasonable financial loss to the government.

J. A. Cox of Princeton and Howard S. House of Hastings respectively chairman and vice-chairman of Florida Growers Association, attended this week's meeting in Washington at which nearly 150 representatives of the citrus, fruit, vegetable and other fruit-growing states were present.

The Interstate Commerce Commission recently issued an order requiring all the "territorial associations" to name a representative to the Congress of the United States, the Department of Agriculture and other federal agencies.

Florida Growers Association and other farm organizations recently received a copy of the new "Farm Income Control Act." This new law makes it easier for the price support program.

H. B. Rorison, state farm management officer, named J. W. Whitehouse and James C. Hayes as his assistants in the new USDA farm management office. They are arranging the work for the new office, which will be located in the former office of the "Farm Income Control Act." This new law makes it easier for the price support program.

Rice Growing in Glades County Prove Successful

Lloyd Strayer, formerly in the rice and corn growing business in Arkansas, and who has been farming on lands outside of Melbourne, reports that he is very much pleased with his ventures to date. By July 1st, he will be harvesting hybrid corn from 320 acres planted to Big Tom corn. The Glades Experiment Station prints a pamphlet which he hopes to read from 40 to 50 bushels to the acre.

Strayer found one strain of rice that did well on his trial patches, and he is preparing to make extensive sowing of rice this fall. He says he can add to the diversified crops that can be profitably raised in the Glades.

The Stuart News has this to say in a recent farm story, which is of local interest:

"The Everglades Experiment Station is continuing its trials conducted in cooperation with the USDA Vegetable Laboratory of Charleston, S. C., is being brought to a successful close at the Indianatown Farm Project. Scientists and specialists are making a final evaluation of their Indiantown trial plantings this fall, and several farmers in Martin County are cooperating with these experiments in planting 5-acre trials of new varieties of tomatoes this fall. With farmers' research, production facts and market good, Indiantown promises to be one of the leading vegetable growing areas in South Florida."

Martin County should be very proud of the Indiantown residents in and around Stuart, who are engaged in sharp contrast to previous years at this time of the season when things were dull and everyone settled down to a long hard summer. With the return of several large groups of land to former owners, and with the interest in clearing land both for pasture and truck crops, there will be no letup in the activity in this Indiantown area. Each resident of Stuart and the eastern part of the county owes it to himself to make a trip to the area riding through this area and the area south adjoining the Jupiter Road. Things are being done, people are enthusiastic and the future looks good.

Church Youth Have Outing

Pre-packaged Goods Make Market Hit

To meet the "vine-ripened" fruit and vegetable demand, more and more interest is being shown in pre-packaging of fruit and vegetables near or near the farm. Golden Batatas, tomatoes, cauliflower, eggplant, and other products being pre-packaged by Paul Dickman at Ruskin are making a tremendous hit with customers who are buying pre-packaged products in ever increasing quantity.

Tent Revival Services

Evangelist Paul W. Baughman has pitched his church tent on the corner opposite the entrance to Oceanic camp on Oceania road in the northeast portion of the city, where he plans to conduct evangelistic services for an indefinite period.

WEDDING VOWS SPOKEN AT BETTY ROBERTS AND CONNIE BOWEN

In a beautiful ceremony marked by its simplicity, Miss Betty Jeanne Burr introduced the guests to Sandra Gove who graciously presided over the guest book. Laurine Anderson presented each guest with a dainty gift.

The bride is the daughter of Mr. and Mrs. S. A. Bowen of Moore Haven.

The church was decorated with white lilies, roses, and a large basket of pale pink gladioli and lavender asters were added before the altar.

Miss Norma Weeks sang "At Dawnning" and "I Love You Truly" accompanied on the organ by Mrs. Dorothy Jones.

Given away by her father, the bride wore a gown of blue crepe with decollete neckline banded in lace, and lace peplum over the full skirt. Her accessories were of white and her bouquet a white orchid.

Robert, son of Mr. and Mrs. S. A. Bowen, became the bridegroom of Connie Bowen, at the First Baptist Church Sunday at 4 P.M. with Rev. Leonard Vining officiating.

Kallenborn Desires To Discuss Subject Of Commission

Masonic Official Welcomed By Lodge

Everglades Lodge, No. 211, F. and A. M., at Pahokee, on Tuesday night, June 1, received with Grand Lodge honors, the new district grand master of the 2nd Masonic district, L. H. Hegland, of Gulf Street Lodge, at Lake Worth, with a large number of local and visiting Masons present.

Grand Master Hal Adams, of Mayo, in naming his staff of district officers, placed particular emphasis on the ability to carry out his new Masonic Lodge Education program.

Adams has made Dr. Russell Williams, of Miami, general chairman of this program.

Work closely together. Everglades Rite work, and are deep students of Masonic literature, the work in the 2nd district promises to be most effective.

In his visitations the new district is speaking on some particular subject, and at Pahokee, it was on "Who Runs the Lodge".

Following the lodge session, supper of fried chicken and swamp cabbage were enjoyed by the members. Those present from Belle Glade were Messrs. Morris, May Jr., and Shepherd, Kirchman and Ghidelli.

Anyone interested in making a date for my appearance can contact me at 343 Seaview, Palm Beach.

Odd Fellow Held District Meeting At Okeechobee, June 11th

Grand Master Thompson, of the Grand Lodge of Florida Odd Fellows, has named J. E. Cone, of Okeechobee, to be the new deputy grand master for the 18th district, consisting of Lake Okeechobee, and he has entered upon his duties. Cone has undertaken the re-organization of the District Organization which has been inoperative since war days, and has called for the first group meeting to be held at the Okeechobee Lodge room on Friday night, June 11th, at 7:30 o'clock.

Burial will be made in the cemetery at Bluefield, W. Va., where the family relatives and friends will gather for grave side service.

The City Commission on Wednesday night, directed that the City Hall Flag be unfurled at half mast on Thursday, in honor and memory of the late George A. Taylor, Sr., and that the flag be lowered to a piece of business during the service hour, which was completed with great solemnity.

No higher tribute could have been paid to a citizen than that of the formal services at the cemetery, which were filled to capacity, including large delegations of members of the Masonic lodge and Eastern Star Chapter, and other of lodges to which the deceased was a member.

Burial will be open house to members of the Odd Fellows and Rebekah's. A social hour will also be given.

Okeechobee local has started work on its new temple, which has the foundation and cement floor completed, upon which the two story frame building will be erected.

DICK ERVIN, YOUR DEMOCRATIC NOMINEE FOR ATTORNEY GENERAL

I wish to thank the voters of Palm Beach County for the vote they gave me in the election on May 25. I will do my best to justify the confidence by performing the duties of the office of Attorney General to the best of my ability.

Gratefully yours,

Announcement was made of the summer institute to be held in Tallahassee June 22 to 25 also of the state convention in West Palm Beach. A committee was appointed to frame a plan for the school board along with other petitions from associations in this area suggesting that we shorten Xmas holiday vacation in order that schools will be dismissed earlier than usual. The committee appointed to frame the petition included Mrs. W. C. Barnes, Mrs. Roberta, Mr. Mr. Frank Hobson, Mrs. Ruth Wedgeworth and Mr. George Taylor.

George Taylor, who was 56 years of age, was one of a large number of children born to Mr. and Mrs. May Cone, who were born at Wytheville, Va., but spent many years in and around Independence and Galax, Va.

In young manhood he took up salesmanship and merchandising and followed these lines in Virginia, West Virginia, Ohio and several points in Florida, mainly Gainesville and Belle Glade. Mr. Taylor came to Belle Glade 13 years ago, and conducted grocery stores and markets on Avenue A, until he retired two years ago, and thus means he has gained a wide acquaintance.

Three years ago, he was elected as the Mayor of the city, and presided over the police commission and served as police magistrate. He was twice re-elected in his office, for he was deeply interested in the welfare and progress of his home city, he saw many advancements made of various character, and he was able to promote many movements that proved of great encouragement to the people.

In church and external relations, Mr. Taylor was affiliated with the Community Methodist Church, the Masons, Odd Fellows, Elks, Scottish Rite Consistory, Eastern Star, Rotary Club and Chamber of Commerce.

He was a member of the school board and would have completed his term on that body in December. He was greatly interested in the schools, and was much disappointed in the failure of the recent bond issue to pass. He recently wanted an improvement made which the people would have provided.

Mr. Taylor is survived by his mother, Mrs. J. A. Taylor, of Gainesville, Florida; his wife, Mrs. Naomi Taylor; two sons, Bill and Andrew, both well known; two brothers prominent in law, religious and business in the northern states, and one sister.

Funeral services were held at the City Hall on Thursday morning conducted by Rev. L. F. Vanderwater, followed by the Masonic funeral ritual, and were very largely attended.

Burial will be made in the cemetery at Bluefield, W. Va., where the family relatives and friends will gather for grave side service.

The City Commission on Wednesday night, directed that the City Hall Flag be unfurled at half mast on Thursday, in honor and memory of the late George A. Taylor, Sr., and that the flag be lowered to a piece of business during the service hour, which was completed with great solemnity.

MAKING DECISIONS
Sometimes we fail to get
things done just like the cattle
pede because we can't decide
which to do first or how to do
which.

There's a story of a man who
hired out to a farmer and the
man plowed twice as much at
the first time as he did the second.
He was set at husking corn and
he husked twice as much as the
farmer anticipated. He set the
man at chopping wood and he
again beat all expectations.

"Here's a find," the farmer
thought. "I'll hire him again."
So he took him back to work
to the potato pile and set him to
sorting potatoes and picking out
stock seed. In a couple of hours
the farmer came back and
found the wonder had only a
measly handful in each pile.

"How come?" the farmer asked.
"You worked to beat the
end and everything else."

"I think I want to quit," said
the man.

"What's the matter?" asked
the farmer.

"It's making these darned
decisions that gets me down," said
the farmer.

We lose a lot of time, miss a
lot of opportunities to get
things done because we can't
"make up our minds."

Snap judgment is sometimes
faulty but the ability to act
promptly and wisely is the key
to executive approval and ad-
vancement. Also to safety!

Flag Day comes on Monday,
June 14th, but locally it will be
observed by the American Legion
and Belle Glade Lodge of Elks.

In a joint celebration at
the Legion Hall, the Flag will fly
3:00 o'clock, June 13th. The
ceremonies will be of a public
nature and all citizens are invited
to attend. Judge C. C. Chillingworth
is to be the speaker of the hour and Claude
Trammell, will have a special
tribute to the Flag.

On Sunday, May 30th, which
was National Memorial Day for
Veterans of all American wars,
at the Community Methodist
Church Mr. and Mrs. Hugh J.
Bradley, had a most beautiful
memorial bouquet, in honor of the right

wages granted him.

Owing to the fact that flooded
areas in the flat prevented
the planting of the average sized
crops, prospects for the entire
season was problematical.
However, dealing with
their excellent yield of produce
made it a guessing game
as to the total output. That
story can now be told as Com-
mercial Agent R. E. Hotard, of
the Florida East Coast, states
that his final figures show
a 10 per cent excess over the
of 1947-48, or a total of
5,600 tons. Much produce was also shipped
by truck, a considerable in-
crease over last year, for at
least 30% of the freight move-
ment. Not such a bad year, but
what it could have been worse.

A fine new business block of
the Glades Chevrolet Company, is
going to add to the appear-
ance and beauty of our Main
street topography. Long com-
munity walkways instead of rid-
ing to school, we have a good
amount of school activities, while today, the course of study in
High Schools, is in advance of
the old time academy and seminary courses.

When I moved into my new
home, too late, I found that I had
had one object that was not con-
tained in the bill of sale, and that was an old tabby cat. She
readily adopted us as her feeders,
and now she has sprung from
four new heirs upon us. Well,

We lost a lot of time, miss a
lot of opportunities to get
things done because we can't
"make up our minds."

vancement. Also to safety!

Tom Grafton, state hotel inspec-
tor, said that soft pies, which
had been a local delicacy, ruled
through the hot sun, and when
sold at local lunch counters
were possible potential sources
of chemical changes which
might produce internal body
disturbances. That to date in
the investigation, he had found
no sickness connected with that
source, but is endeavoring to
get dealers to eliminate the
cream type pies from their
counters during the summer, as
a Health and Sanitary safety
measure. Grafton is now inves-
tigating markets.

He stated that he could not
stop the forbidding of pie sales
in the city, but that the city
could do so under its ordinances.

He stated he had no objection to
"top" covered pastry being pur-
chased in eating places.

LIONS LEARN

The program of the Lions club
meeting, Wednesday, June 2nd, was in charge of Randall
Dickinson, chairman, assisted by Frank O'Day, of the Lions
Educational committee. O'Day
spoke upon International Fairs,
stating that since 1914, when the first club was formed
in Chicago, by General Secretary
Melvin Clark, that the movement
has advanced in a phenomenal
rate, to 19 nations, outside
the United States, with a membership
nearing 375,000, the largest of all civic clubs. Lionism
was formed for the advancement
of friendship and worthy projects,
without personal profit. Giving has been the main
objective in the organization
chain.

Dickinson gave a review of
the activities of the local club
during the fiscal year soon to
close.

Through the Lions efforts
in fund raisers, a total
sum of \$1,950.00 had been
secured and mostly distributed,
as follows: National Guard
Armory, \$255; school water
cooler, \$200; resource commis-
sion, Red Cross, \$10 each; Boy
Scouts, \$250; Tuberculosis, \$15;
tuberculosis drive, \$25; March
of Dimes, \$46; sight conserva-
tion, \$50; 10 pair of eye glasses
for school children, \$192; Sal-
vation Army, \$75; painting
hospital, \$507 besides personal
sets of members in other
activities. The donkey baseball
game netted \$264 for the swim-
ming pool fund.

Ted Pope, Buster Ingram,
Cliff Livingston and Ray Whi-
lock were named at the kit-
chen police committee for the
making arrangements at the
hall for the annual Ladies Night
and Installation ceremonies at
the Legion Hall, on Friday
night, June 18, when the Pa-
hokee, Belle Glade and Clew-
iston clubs will meet in a joint
session.

Good Fishing Reported

At The South Bay Locks

Fisherman at the South Bay
Locks are having unusual sport
and luck in catching strings of
fish of good size. It is under-
stood that the spillways of all
locks have been opened in
the New River Canal to the
see gulf, and salt water fish are
coming up the canal. At the
same time the winter fish from
the lake are going down the
canal and there are plenty of
big fish of both kinds finding
their way into the frying pan and
refrigerators of local citi-

cians.

Darkeens who have been lining
the canal banks for weeks and
taking home nice strings of fish
are now in their element at
their unusual luck.

Miss Maxine Walker of Miami spent Sunday visiting her mother.

Recreation Evenings Are Proving Enjoyable

Jimmy Rich and his Starlight Boys played for the Community Center Band at the Recreation Hall in South Bay on Thursday evening.

The picnic suppers which have been provided the evening of fun for several weeks have been discontinued for this week at least to be resumed later according to announcement of the committee. Seventy-five paid admissions last week testify to the increasing popularity of the Thursday Evening Square Dance. The length of time required for serving the supper has been found to be curtailing the time for recreation.

Family groups from grandparents down to the tiny tots are enjoying the fun. Billy, wee son of Mr. and Mrs. W. W. Ferguson and other little folks are also well and reported to have taken the show by their heart performance to music.

The committee is to be congratulated on having been able to offer such a wholesome form of recreation where all members of the family can gather together and enjoy an evening of fun once each week. If every community could thus provide entertainment for their members young and old, the problem of juvenile delinquency would soon start being implemented in time practically die a natural death.

Other equally popular forms of amusement will doubtless be worked out and presented as a part of the recreation program in South Bay as facilities are provided that are. Reading and game rooms are among the plans now being discussed and toward which the committee is working.

Homes Demonstration Club Holds All-Day Session

The Woman's Home Demonstration Club had an all day demonstration of slip covers at the Recreation Hall Thursday under direction of Miss Sara Horton, home demonstration agent. Mrs. Marvin Miller provided the chair for the demonstration and assisted Miss Horton.

Plans were discussed for the summer camp to be an event of July at the Boy Scout Camp at Lake Osborn. This camp in many years was an annual activity of the Woman's Home Demonstration work, was discontinued during the war and is now being revived. Women will go into camp on July 11 and remain until July 14 when the 4-H Club will come into camp and remain the rest of the week.

The Senior Council Council will meet on Tuesday of that week at camp and all home demonstration women of the county are privileged to come on that day and enjoy the many social events including swimming, classes and the afternoon speakers.

Those attending the all day session were Miss Sara Horton, Mrs. Marvin Miller, Mrs. E. M. Willits, Mrs. A. B. Barnes, Mrs. G. J. Barstow, Mrs. F. W. Mutter, Mrs. H. S. Emery, and Mrs. Verda Higginbotham.

Grade Work Started On Sugar Mill Track

Reynolds & Smith, contractors from Lake Placid, start building the rock grade for the extension of the Atlantic Coast Line Railroad from Clewiston to Okeechobee. They are working a short distance from the Okeechobee Sugar Mill which will be the terminal for the branch line from Clewiston.

Meanwhile another crew is working out of Clewiston on a grade front that end, the two work crews will meet in each other. The grade at the Okeechobee end is being built of sand while the grade through the muckland will be of rock, it is understood here.

Railroad officials were on the ground Friday inspecting the work now in progress and the right of way which has been laid out. They were taken across country in a swamp buggy for a part of the distance and the remainder by jeep, finding it extremely rough and dirty ride.

Ten Nights In A Row

The full-feature all-taking motion picture, "Ten Nights in a Barroom" starring William Powell, will be shown in the South Bay Baptist Church on Monday evening, June 14, 1948 at 8 o'clock.

The admission is free. An offering will be received. The picture starts promptly at 8:00. The public is invited.

South Bay C of C Increasing Membership

The South Bay Chamber of Commerce appointed a committee to solicit donations for the DDT Dusting mosquito control program for the summer. They are Melvin Herring and Roy

Boots. Anyone desiring to contribute may contact either of these two gentlemen. A \$10.00 donation was received at the meeting and \$185.00 turned over for this purpose.

Mr. and Mrs. Howell, secretary, announces that they now have 73 paid up members and announces that membership cards are now ready for distribution and requests all members to attend the Friday evening meeting and secure their cards.
